STORY- THE TWO CATS AND A MONKEY

Once upon a time there were two cats. They were good friends. They got a piece of bread, while sharing they made big and small pieces. So they began to fight for a bigger piece. At a same time a monkey saw them fighting. The monkey said I will share it equally. He bit the bigger piece to make it equal. Again he bit the other piece to make it equal. Bit by bit he ate the whole bread and went away. The poor cats lost the bread.

Moral - We must learn to share what we have.
